Dear Friend of Vancouver Phoenix Gymnastics:

Vancouver Phoenix Gymnastics serves the Metro Vancouver community by offering excellent programs for children and youth. The club is a well-established not-for-profit society and has its home base at the Millennium Sports Centre in the heart of the city near Queen Elizabeth Park. Phoenix promotes physically active lifestyles, healthy living choices and a sense of community within its membership.

Each day, hundreds of children come to Phoenix to participate in healthy activities where they are encouraged to reach their full potential as participants and athletes. More than 6000 participants, age 6 months to adult, are involved in a variety of our recreational and competitive programs throughout the year.

2009 marks our 40<sup>th</sup> year of gymnastics programming. Over the years we have seen many successes by helping athletes achieve their level of excellence. Whether it is engaging pre-schoolers in the joy of movement or helping competitive athletes reach their goals we are proud of the achievements of our coaches, staff and participants.

As a member of our community, you can contribute to the success of Phoenix and align yourself with sport, health and community building. Join other like-minded organizations and individuals in supporting **Phoenix 40<sup>th</sup> Anniversary Celebrations**. Become part of our mission to improve health and physical activity opportunities for children and youth in Vancouver and the lower mainland of BC!

Thank you for your consideration of sponsorship and support. For further information about our club please visit our web-site at [www.phoenixgymnastics.com](http://www.phoenixgymnastics.com) .

Yours in Sport and Health,
