

Hi there!

Vancouver Phoenix Gymnastics is turning 50 years old in 2019! We're planning several events this year to celebrate our membership, growth, and milestones throughout the years — and we would love to have your support to make our celebrations a success.

We are currently seeking sponsorship and partnerships to help support our clubs' mission, vision, and values. Our nonprofit organization serves over 5,000 members every year with high-quality gymnastics programming for all stages of life, and our events draw in hundreds of club families, businesses, and community members.

Since 1969, Phoenix has been a core part of the sports community in Vancouver and BC, teaching gymnastics to generations of Vancouver children and families. Through your support, you have a unique chance to champion a longstanding Vancouver community organization, and also reach Phoenix's current membership and its alumni from 50 years of operation.

If you are interested in supporting us, please contact Missy Preston, Club and Member Culture Manager at Phoenix Gymnastics for more information about how we can work together to support each other. For in-kind donations, we are happy to arrange pickup of any items or they can be dropped off at our Millennium Facility to the attention of Missy at 4588 Clancy Loranger Way.

Thank you for your consideration, and we look forward to hearing from you!

With gratitude,

Missy Preston
